

Show me ! Oui, montre-moi qui
tu es, à quelle tribu tu appartiens.

Pour te différencier ou
te rapprocher de moi, j'ai besoin
de savoir quels sont tes codes,
les marques que tu arbores,
tes symboles, tes tatouos,
tes origines et tes aspirations.
Dans notre société cosmopolite
métissée, exhibe tes signes
d'appartenance.

KIB'

AL

*Show me ! Yes, show me who
you are, to what tribe you belong.
To differentiate yourself or to be
similar to me, I need to know
what your codes are, the brands
you wear, your symbols, your
tattoos, your origins and your
aspirations. In our cosmopolitan
and mixed race society, show off
your signs of belonging.*

PLANISPHERE DES CONTRIBUTEURS / CONTRIBUTORS PLANISPHERE

Parce que nous sommes neutre de toute influence publicitaire, notre travail international de sélection des produits s'appuie sur un processus de sélection de qualité et d'objectivité. Les produits que vous retrouvez dans ce cahier de tendances sont des produits précurseurs dénichés par nos veilleurs et supervisés par notre tendanceur avec soin et respect des droits d'auteurs et de propriété intellectuelle et industrielle. Les contributeurs dont le produit a été sélectionné sont remerciés par notre label que vous pouvez retrouver sur leur site web et dans leur communication pour une parfaite traçabilité. CHLOROSPHERE remercie vivement tous les contributeurs de part le monde sans qui se support ne pourrait être aussi bien illustré.

Since we are neutral in no advertising influence our international work product selection is based on a quality and objective selection process. The products you find in this trendbook are precursors unearthed by our watchmen and supervised by our tendanceur with care and respect for copyright and intellectual and industrial property. Contributors whose product has been selected are acknowledged by our label you can find on their website and in their communication for full traceability. CHLOROSPHERE sincerely thank all contributors around the world without that support could not be illustrated so well.
